

Achieving Excellence Together...

# REI Systems, Inc. CAREER OPEN HOUSE

*Are you ready to make a difference?*

**Monday, July 21, 2008**

**8:00 am – 8:00 pm**

at

**REI Systems, Inc**

**200 Fairbrook Dr., Suite 104**

**Herndon, VA 20171**

REI Systems, Inc. is currently looking for highly skilled and motivated professionals to join our growing team and make a difference:

- **.Net Software Engineer**
- **Principal Software Engineer**
- **Development Database Engineer**
- **Support Database Engineer**

These positions are for one of our largest and fast growing programs in support of the Health Resources and Services Administration. Learn more about this program at <http://www.reisys.com/news/hrsa.html>.

Each candidate invited for this event will have to undergo a 2 part interview lasting approximately 3.5 hours. The candidate will have an opportunity to meet with current team members and learn about the projects and our company. To ensure a smooth and timely interview process, prior to attending the event all attendees must first send their résumé and cover letter to [recruitment@reisys.com](mailto:recruitment@reisys.com). Participation in this event is by invitation only, based on results of the initial phone screening.

**Interested candidates should email their resume with contact information to:** [recruitment@reisys.com](mailto:recruitment@reisys.com), by July 16<sup>th</sup>, 2008, 3pm. Please use code **HRSA721** and include the title of the position that best suits you in the subject of your e-mail.
